

Abbie's Sparkle Foundation

We are a Scottish Children's Charity providing support for children with cancer across the UK. One of Abbie's wishes is to raise money for "Hospitals and Stuff" under the charity name Abbie's Sparkle Foundation. We know how important it is to live every moment to the full and Abbie's Sparkle Foundation is here to spread Abbie's Sparkle to help brighten a child's day.

Abbie has been spreading her Sparkle in the way of Gifts and Grants to help Children aged 18 and under affected by cancer. In 2019 Abbie's Sparkle Lodge was opened near Aviemore and welcomes Families with Children affected by cancer for a no cost stay.
